Amalga Limited

Job Description and Person Specification

Part 2: Person Specification

Qualifications

Applicants must hold a CSCS card. No other formal qualifications are required for this position.

Experience, Skills and Knowledge

The following are preferable, but not essential:

- Experience of general site support and/or working in the construction industry
- Experience of working in restricted areas
- Experience of working within an airport environment
- Understanding of construction site methods and processes
- Good awareness of Health & Safety issues
- Current, clean UK driving licence

Disposition

The following are essential:

- A professional attitude and approach to work
- Able to work to deadlines
- Ability to work effectively as an individual or within a team
- Reliable and punctual

Referencing

The following are essential for the purpose of applicants attaining security clearance:

- Valid passport or photo driving licence with counterpart as proof of identification
- Verifiable five year work history to include employment, unemployment, self employment and scholastic periods
- Have an unspent criminal record that is deemed to restrict your employment within an airport. Please note that not all convictions would prohibit you from working at an airport, so please apply if you are unsure.
